In the light of the various directions received from the Supreme Court, revised guidelines have been framed with the approval of the competent authority to allot general pool residential accommodation on security grounds. The revised guidelines may please be seen in the enclosed Statement. The existing allotment to protectees who are in occupation of Government accommodation are also being reviewed as per the

revised guidelines and only thereafter accommodation shall be got vacated from ineligible persons.

STATEMENT

- (i) The general pool accommodation shall be allotted to only those persons who are in the Z+ security category.
- (ii) There must be a clear nexus with the public interest to justify the allotment of general pool accommodation to such persons. Ministry of Home Affairs would examine in each case that allotment of Government accommodation to a person in the Z+ category is in public interest and the security threat to the person has emanated from the duties performed in public office held by him in the past. Ministry of Home Affairs should also opine whether it is absolutely necessary to provide the person concerned a house in Delhi.
- (iii) On receipt of a request from the persons concerned for allotment of Government accommodation on security grounds, Ministry of Home Affairs will carry out an exercise to ascertain whether a person in the Z+ security category owns a house in Delhi in his or Spouse name and whether security arrangements can be provided in that house itself.
- (iv) Further action to provide a Government accommodation to the protectees in Delhi shall be taken by the Dte. of Estates, based on the recommendations of the Ministry of Home Affairs.
- (v) Not higher than Type-VI accommodation shall be allotted to such protectees and it could be even lower depending upon the threat perception in individual cases.
- (vi) The applicant shall confirm his willingness/capacity to pay the market rent/special licence fee in advance and continuous default in payment of prescribed rent for three months or more would render him liable for eviction.
- (vii) Market rate of licence fee shall be charged for the Government accommodation so allotted to a protectee. In case the protectee has a house in Delhi, he must surrender the same to the Government for the period of his occupation of Government accommodation. In such cases, special licence fee shall be charged for the period of occupation of Government accommodation instead of market rent.
- (viii) The allotment shall be for a period of one year and can be extended for a further period of one year at a time, subject to CCA, being

satisfied about the need for extension, based on the threat perception to be reviewed by Ministry of Home Affairs from time to time.

2. While reviewing the existing cases of protectees occupying Government accommodation, it shall be kept in view whether they are otherwise eligible for such Government accommodation.
